PASSPORTS AND VISAS: The onus is upon the client to ensure that passports and visas, as may be required, are valid prior to departure for Africa. On the various journeys we travel through: South Africa, Swaziland, Namibia, Zimbabwe, Botswana, Zambia, Tanzania, Democratic Republic of Congo (DRC) and Angola. Some nationalities are eligible to purchase port-of-entry visas. Immigration forms will be available on board. Please ensure you have a minimum of US\$200 in cash with you. Angolan and DRC visas must be obtained prior to travel. We request guests obtain their Tanzanian visa prior to travel when possible. Passports must have at least five blank VISA pages and must be valid for at least six months from your return-home date. Please enquire with us or check with the relevant embassies in good time regarding applications. Visas are also available through visa and booking agents.

AMENITIES: Rovos Rail provides a complete amenity bag with the following South African products: soap (25g), tissues, shampoo (30ml), conditioner (30ml), bath and shower gel (30ml), hand and body lotion (30ml), lip balm (4.8g), sun cream SPF50 (8ml), insect repellent gel (8ml), cotton-wool pads, ear buds, a shoe mit, nail file, small sewing kit and a shower cap. Plug-in hairdryers – in addition to your bathroom unit (if applicable) – are available on board.

CHILDREN: We do accommodate children but we kindly ask parents to be sensitive to the adult nature and atmosphere of the train by keeping them respectful and quiet. Long journeys are not recommended for under 13s. Children between 0-2 years old are not permitted to travel. There are no child-minding facilities or activities available for children on board. See Child Policy.

CURRENCY

- South Africa Rands only. We accept all major credit cards on the train.

 Outside of South Africa Rands are accepted in Namibia and Swaziland. US Dollars are accepted in Zimbabwe, Tanzanie (Dar es Salaam only), DRC and Angola. Cash is highly recommended. Hotels and major dealers accept credit cards.
- US Dollars printed before year 2009 or that look worn will not be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate.

DIETARY REQUIREMENTS: We will do our best to cater for dietary requirements provided a detailed request has been made at that time of your reservation. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation.

DINING: Meals on board are served in one sitting only in the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07:00-10:00 • Lunch: 13:00 • Tea: 16:30 • Formal Dinner: 19:30. Bar service is from 07:00-±01:00. All meals are served at these times unless otherwise stated in the timetable. A gong heralds lunch and dinner.

DRESS:

- Days on board are smart casual: Neat, conventional yet relatively informal in style combining casual and formal clothing pieces.
- Evening attire is more formal: For gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. On long journeys we enjoy theme evenings where guests can dress up accordingly or opt for smart casual:
 - Golf Safari, African Collage, Dar es Salaam and Lobito: 1 x "AFRICA" evening and 1 x "1920s" evening. See Journey Info.
 - Namibia Safari: 1 x "AFRICA" evening. See Journey Info.
- Off-train excursions: We recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available.
- Game drives are on open vehicles so please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a quide.

ELECTRICITY: 220V AC 50Hz 3-point round-pronged wall plugs and 110V/220V 2-pin plugs for shavers and chargers. International adaptors available. A generator supplies power. Please be aware that certain breaks in power are necessary when servicing is required.

GIFT SHOP/ADMINISTRATION: There is a small gift shop on the train and at Rovos Rail Station. Due to the varying exchange rates, credit cards are preferred. The host/ess on duty has a basic First Aid Kit and personal essentials (toothbrushes, razors, earplugs etc.). He/she will also fulfil any administrative requirements and check your onward arrangements. If the map supplied is not comprehensive enough you may purchase a more detailed map from the Gift Shop.

GRATUITIES: Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there will be a marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) among the staff on board. An amount between ZAR100-200 (±US\$10-20) per person per night is suggested, depending on the length of your journey.

LAUNDRY: There is a limited laundry service on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are not able to handle a week's worth of laundry. There are no dry-cleaning facilities en route or on board. Please note that while we are providing a complimentary service we cannot be held responsible for items that may be damaged or lost in the process.

LOCOMOTION: Use of steam has become increasingly difficult over the years as more and more water and coaling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station only.

LUGGAGE: Each suite has a luggage rack that runs its length providing ample space for storage. On <u>selected</u> long journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft.

MAGAZINES, MAPS AND GAMES: There are board games, cards, a card table (dependent), books and magazines available for your use in the lounge and observation cars while on board. In your suite is a map, itinerary and the *Journeys* magazine featuring articles of interest related to your route. If the map supplied is not comprehensive enough you may purchase a more detailed map from the Gift Shop.

MOBILE DEVICES AND INTERNET: In maintaining the spirit of train travel there are no radios or television sets on board. The use of mobile phones, laptops and essentially anything that has the ability to disturb other passengers is confined to the privacy of your suites <u>only</u>. The reception is poor while the train is moving. It is advised to contact your service provider to ensure the correct settings for network services are activated. WiFi is available at our lounges in Cape Town and Pretoria and at most off-train accommodation (although not always guaranteed).

POSTAGE: Stamps are available for sale from the Gift Shop. Postcards may be handed to the Administration host/ess for posting.

SECURITY: An electronic safe is provided in the cupboard in each suite.

SMOKING: On board the train smoking is allowed in the smoking Club Lounge only. HOWEVER, please be mindful of other non-smoking guests, that the train is generally made up of wood and DO NOT throw flammable items such as cigarette or cigar butts off the train. Bush fires in Africa are a constant and dangerous hazard. Please note at the time of your reservation if you are smoking or non-smoking so that the appropriate room might be requested at the hotels.

SPECIAL OCCASIONS: Please note at the time of your reservation if you are celebrating an occasion as we'd like to share it with you.

TEMPERATURE AND TIME ZONES: All public cars are fitted with gas-filled air-conditioning systems. Each suite has an individual air conditioner with temperature controls that can also be set to heat mode. Windows should be closed while operating the air-conditioning unit. Electric under-blankets are fitted on the bed. See guide...

THE TRACK: The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available at the Gift Shop.

WATER: The water used on the train is carried in tanks under each coach. These tanks are filled every day but they cannot be topped up while the train is travelling. Please assist us by using water responsibly. Water inside the cabins has been filtered and chlorinated; it is safe for bathing and brushing teeth only. Please use the bottled water provided for drinking.

~Journeys Combined

If you have an overnight stop in Pretoria between journeys you may leave most of your luggage at Rovos Rail Station under lock and key if you wish but this will be at your own risk.
